## Hot Mama!

DJ KISS turns the tables

**DJ KISS, AKA JAKISSA TAYLOR**, is on every celebrity's hot list. She's one of Diddy's go-to players for his annual White Party, plus she's spun at many a high-post fete, including shindigs for Rihanna, Sports Illustrated, Barneys and Condé Nast's Fashion Rocks. The New York-based hottie is engaged to equally popular DJ M.O.S. He taught her the turntable basics. After that came Scratch DJ Academy and opening up for established spinners at clubs until she was "good enough to hold down a night" for herself. In between gigs, she told us what would be on her mixtape. —ASG
