

DJ KISS SPINS THE SOUNDS OF SUMMER

The celeb tunes guru gives OK! the songs she'll be loving right through Labor Day

1. **"How We Do"** Rita Ora – She sounds like a cross between **Pink** and **Gwen Stefani**.
2. **"Back In Time"** Pitbull – The theme song for *Men in Black 3* will be huge!
3. **"Chasing The Sun"** The Wanted – The hook is so infectious, you'll have to sing along!
4. **"Where Have You Been"** Rihanna – You'll definitely hear this at every club.
5. **"The Night Out"** Martin Solveig – Love, love, love this song!
6. **"Titanium"** David Guetta feat. Sia – David Guetta continues his chart (or is it world?) domination!
7. **"Let's Go"** Calvin Harris feat. Ne-Yo – Calvin Harris plus Ne-Yo equals electro perfection!
8. **"Dance Again"** Jennifer Lopez feat. Pitbull – Jennifer Lopez reminds you to hit the floor!
